Insurance

- USD 260 DOES NOT carry primary insurance for student-athletes
- Limited ***Catastrophic*** Insurance through KSHSAA is available if there is a need ($25,000 deductible). If a situation comes up, the Activities Office will contact parents and file necessary paperwork.
- Highly recommend individual student insurance

Student Eligibility Info

- ACTIVITY CONFLICTS
  - **Academic** activities (such as debate, music, math, etc.) have priority over **non-academic** activities such as athletics, cheerleading, dance team, etc.
  - When coaches or sponsors cannot satisfactorily resolve a conflict between two (2) or more academic activities or two (2) or more non-academic activities, the student will make the choice. No penalties, make-up, or loss of grades are to be assessed as a result of the student's decision.
- GRADE REQUIREMENTS
  - Student must be enrolled in eight and have passed six new subjects of unit weight the previous semester in order to be eligible for the current semester. **Lab Aide/Teacher's Assistant does not count.**
  - If a student passes five classes (KSHSAA requirement) the previous semester, they may go on a weekly Grade Card check to maintain eligibility in the current semester.

NCAA Eligibility Center

- To be eligible at a NCAA Division I or II school, student-athletes must meet minimum requirements.
  - These should be checked early in their HS careers-STRONGLY encouraged during your **Sophomore year**
- NCAA allows you to set up a Profile Page for free as early as your Freshmen year. https://web3.ncaa.org/ecwr3/register/PROFILE
  - This can be turned into a NCAA account once you are being recruited
- Setup Meeting with Counselor Dan Harrison, Robert Ash, or Russell Baldwin
  - Counselor's Office – 788-8219
- Read & Study NCAA GPA/ACT Sliding Scale
  - http://www.ncaa.org/student-athletes/future/educational-resources

NAIA Eligibility Center

- To be eligible at a NAIA School, requirements differ from school to school
  - If you stay on the NCAA path, should be fine
- NAIA Clearinghouse
  - https://play.mynaia.org/

Do not allow your student-athlete to wait until their Senior year. If there is even a slight chance they want to play in college, get them registered early and monitor it *every*

Role of the Parent towards student

- Focus on the Team
- Allow them to focus on the coach – One instructional voice, support the coach
- Model appropriate behavior…Poise and confidence
- Be proud of them regardless of playing time or how the game is going
- Know the role that a coach sets for your student
